

## Some Highlights from Putin's War

### Cards

The active player can play a card in 3 different ways.

Use the left number to play 4 political action points.

Use the right number to play 4 economic action points.

Or just play the event and follow the instructions.

The card is discarded to the discard pile and may return later in the game.

Except the event is played, then the card is removed from the game.

### Leaders

Saluschnyj has the ability Mil.

Therefore the Elite card can be played with the Bonus. If a player does not have an active leader with „Mil“ the Bonus has no effect.

Saluschnyj has a permanent effects which works the entire game turn in which Saluschnyj is active. Other leaders have a special skill, which can be triggered by placing an exhausted marker on it.
